Excellent. Thanks you.

Doug, during our site walk last week, the SHPO indicated that it would be 'neater' if the architectural and archeological review were submitted together as one package. Since we still have some follow-up to do with the archeological aspect, what is your preference for submitting the material?

Joseph, please see the following list of comments. Thanks

9750911

1. Figure 1: Please redact the current owner information.
2. Page 2, Paragraph 2: Please replace the first sentence with the following: The Superfund Site can be divided into five major former operational areas: the Wilcox refinery, the Lorraine refinery, the north tank farm, the east tank farm, and the loading dock area.
3. Section Inventory of Intact Buildings...., Paragraph 2: Please revise the first sentence.
4. Section Sand Creek Railroad Culvert, last sentence first paragraph: Please revise this sentence.
5. Form Process Building 3: Are questions 39, 40 and 41 correct?
6. Process Building 3: The figure is titled as process building 3.
7. Please include a picture of the rail culvert. In addition, please revise questions 43, 44, 45, and 46.
8. Page 60: Please revise question 2 to Tank 4.
